

GRAINS RESEARCH UPDATE

NATIONAL GROWER NETWORK FORUM

2026

Driving profit through research

NINDIGULLY, THURSDAY 16 JULY Nindigully Hall, Sternes St, Nindigully Qld 4497

8:30am registration for a 9:00am start, finish 3:05pm

Join researchers, agronomists, and innovative growers at the Nindigully GRDC Grains Research Update and NGN Forum to explore leading-edge developments in grains research to enhance farm profitability, and contribute your suggestions for GRDC investments for south west Queensland.

Topics

- Using pre-emergent grass herbicides at sowing – implications for seeding equipment and incorporation. *Mark Congreve (ICAN)*
- Optimising glufosinate in summer fallow. *Brendan Burton (MCA)*
- Issues with weed management – discussion
- Managing risk around infrastructure and machinery purchase decisions. *Adam Komarek (UQ)*
- Grower scale strip trials evaluating strategies for P & K nutrition – data from ~60 sites and deep P legacy impacts in SW Queensland. *Megan Hunter (DPI Qld)*
- Ameliorating melon hole country. *Will Robinson (Robinson Consulting) & Henry Baskerville (DPI Qld)*
 - Optimising payback in different paddocks and situations
 - Issues to manage after levelling
- Nitrogen fertiliser recovery in South Western Qld – an update on the speed of movement of nitrogen in vertosols with rainfall. *Mike Bell (UQ)*
- GRDC NGN forum
